(edited by A Fandom user)0Riley Heligo wrote:Voice acting is your answer. They could just take the old audio file and have it play during the move. (edited by Barrymk200)(edited by Riley Heligo)0I have no idea why they removed that sound, nor why they change the animation for the move. But at least I don't have to hear that annoying sound now. It was terrible thh. (edited by Brandon Jay Dick)
